

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation on June 20, 2003

NOTICE OF ACTION TAKEN -- DOCKET OST-01-9932

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of US AIRWAYS, INC., filed 5/2/03, for:

XX Renew for two years exemption under 49 U.S.C. 40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between the United States and Antigua.

Applicant rep: Joel Stephen Burton (202) 383-5300 DOT Analyst: Gerald Caolo (202) 366-2406

DISPOSITION

XX Granted

The authority granted was effective when taken: June 20, 2003 through June 20, 2005.

Action taken by: **Paul L. Gretch**
Office of International Aviation

XX The authority granted is consistent with the U.S.-U.K. Air Services Agreement, to which Antigua and Barbuda acceded upon their independence.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

XX Holder's certificates of public convenience and necessity

XX Standard Exemption Conditions (attached)

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the application was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

U.S. CARRIER
Standard Exemption Conditions

In the conduct of operations authorized by the attached notice, the applicant(s) shall:

- (1) Hold at all times effective operating authority from the government of each country served;
- (2) Comply with applicable requirements concerning oversales contained in 14 CFR 250 (for scheduled operations, if authorized);
- (3) Comply with the requirements for reporting data contained in 14 CFR 241;
- (4) Comply with requirements for minimum insurance coverage, and for certifying that coverage to the Department, contained in 14 CFR 205;
- (5) Except as specifically exempted or otherwise provided for in a Department Order, comply with the requirements of 14 CFR 203, concerning waiver of Warsaw Convention liability limits and defenses;
- (6) Comply with the applicable requirements of the Federal Aviation Administration Regulations and with all applicable U.S. Government requirements concerning security;¹ and
- (7) Comply with such other reasonable terms, conditions, and limitations required by the public interest as may be prescribed by the Department of Transportation, with all applicable orders and regulations of other U.S. agencies and courts, and with all applicable laws of the United States.

The authority granted shall be effective only during the period when the holder is in compliance with the conditions imposed above.

¹ To assure compliance with all applicable U.S. Government requirements concerning security, the holder should, before commencing any new service (including charter flights) to or from a foreign airport, contact its Principal Security Inspector (PSI) to advise the PSI of its plans and to find out whether the Transportation Security Administration has determined that security is adequate to allow such airport(s) to be served.
